# YOU ARE WHY WE CREATED THE THOMPSON DENTAL IN-OFFICE MEMBERSHIP PLAN...

At Thompson Dental, we are committed to helping our patients to receive affordable, quality dental care in a comfortable, caring and professional environment. We have designed our In-Office Membership Program with this in mind. We've created a program that will enable individuals, families and small business owners to purchase this affordable plan, which will cover all of your preventative care, as well as deeply discounting your treatments needs.

With the Thompson Dental Membership Plan, you will find that you have 100% control over your dental healthcare. No costly dental premiums, no in-or-out of network providers to research, no annual maximums or deductibles to worry about. Unlike traditional insurance plans, there are no restrictions. You can expect clear, concise and affordable solutions to your dental needs. Take back control over your dental healthcare, choose the freedom of a quality dental office with affordable, quality dental care that fits within your budget.
